

### PMTA Collegiate Chapter Award 2012

The PMTA is proud to announce a new award to be given to a Pennsylvania Collegiate Chapter who has shown leadership, scholarship and significant musical creativity in 2011-2012. The award will provide \$500 towards attendance at the annual PMTA Conference. Collegiate chapters wishing to apply for the award should follow the guidelines based on the MTNA Collegiate Award as listed below.

- A typed annotated list of chapter activities for the 2011–2012 school year.
- Materials supporting these activities such as programs, invitations, fliers, budget and outcome reports, newspaper articles and so on. You should include materials and documentation for all activities—those that have already occurred and those planned for the remainder of the 2011–2012 academic year. You may submit any number of activity descriptions. As you list your activities, please consider the following award criteria:
  - Student membership involvement: Did/will the majority of members participate?
  - Contribution to the benefit or growth of the chapter: How did/will the activities build chapter membership and participation?
  - Contribution to and involvement with other musical organizations and the general community: How did/will chapter activities benefit your school, other organizations and/or the community?
  - Creativity: Are activities a result of new concepts or lessons learned from past attempts?
  - Attainment of goals: How did/will activities meet educational, membership, fund-raising, outreach or other goals for the chapter, community or campus?

**Application Deadline: February 1, 2012**
