Audience members will be admitted to the performance halls only between performances. Remember to turn off all cell phones and other electronic devices so as not to distract performers, judges and audience members.

MTNA Audio/ Video/Photography Policy

The MTNA rules state: Audio or video recording and photography of the competitions are strongly discouraged. With the advances in technology (small hand-held recorders, cell phone recorders, etc.), it is impossible to prohibit this. However, these stipulations must be followed:

1. Must not be sold (individual use only)
2. Must not block another person's view or stand in the aisles
3. Must not have any flashes, lights, tripods, etc.
4. Must not disrupt the performance or interfere with other peoples' right to enjoy the performance (unobtrusive seating)
5. Must not record other entrants
6. Video is only for family/ studio use, not for social media.

This guideline was put into place as a response to a Supreme Court ruling in favor of the Sony Corporation of America.

The Pennsylvania Music Teachers Association Board of Directors and 2024 Performance Competition Officials express deep gratitude to site host Olivia Ellis and the Messiah University Department of Music for the use of the facilities and for its continued support of PMTA.
